[Web-Check In: A Guide](#)

Check in for your Akasa Air flight in just a few simple steps: comfortably from your home, office, or wherever you may be.

Akasa Air's web checkin service is available from 48 hours up to 1 hour prior to departure for both domestic and international flights. To begin, you'll simply need your PNR/Booking Reference and last name, exactly as mentioned on your eticket.

During the checkin process, you may:

Select your preferred seat from available options

Enhance your journey with a range of convenient addons

For information on baggage limits and related guidelines, please click [here](#)

.

[How it works?](#)

Step 1:

Visit

[Akasa Air.com](#)

and select the 'Check-in' tab on the home page.

Step 2:

Enter your PNR/Booking Reference along with your last name.

Step 3:

Choose your preferred seat and select from a range of valueadded services.

(Choose your favourite seat before it's taken.)

Step 4:

Review and submit the required details.

Once completed, you'll receive your eboarding pass. This is a valid boarding document-you may choose to carry it digitally or print a copy for convenience.

Important Information for International Travellers

While web checkin is available for international flights, eboarding passes will not be sent via email.

Passengers must report to the airport checkin counter for travel document verification, following which a physical boarding pass will be issued.

Web Checkin is Not Available For

Unaccompanied minors

Passengers requiring wheelchair assistance

Passengers travelling with pets

We look forward to welcoming you on board and sharing the Akasa experience with you.
