Book a flight

Manage

Buy extra baggage and everything you need for your flight at Manage my trip.

Buy now

Mobile app Check in

Add baggage and other extras when you check in for your flight online or via the app.

Check in

What to pack and prohibited items

Always check our list of

prohibited items and dangerous goods

carefully.

Regulations may vary by airline or airport. We do not accept responsibility if you're unable to travel with any items.

Cabin bags

Checked bags

We recommended packing:

Medicine and medical equipment with a prescription or letter from your doctor

Fragile or valuable items, and personal devices like your phone or laptop

Device chargers and plugs, especially if you're planning on using E-BOX Stream on our A320/321 aircraft

Important documents, such as your passport

Not Permitted:

Spare or loose batteries and power banks

Electronic cigarettes, refills, and e-liquids

Safety matches and cigarette lighters

Permitted:

Knives, sharp objects, or any cutting tools

Blunt instruments

Inflatable items (must be deflated)

Cremated remains

Certain sports equipment

Liquids (including Zamzam water), aerosols and gels over 100ml

Prohibited items and dangerous goods

Find out which items are prohibited on board or in your baggage. Some items can only be carried with prior approval.
