SpiceJet Travel Policies

At SpiceJet, we operate as a ticketless airline, meaning that an itinerary does not constitute a document of carriage. The booking in the SpiceJet database serves as the primary record of carriage. In the event

of discrepancies between the itinerary and the booking in our database, the latter will prevail. Below are important travel policies you should be aware of:

Identification Requirements

All passengers, including children and infants, must present valid identification at check-in. It is the passenger's responsibility to ensure they have the appropriate travel documents at all times. Acceptable forms of identification include:

Valid Passport

Valid Driving License

Election Photo Identification Card

Aadhaar/M-Aadhaar

PAN card issued by the Income Tax Department

Photo identity card issued by the employer (government or reputed private sector organisations)

School identification cards or any other photo identification proof for children travelling on SpiceJet

Valid birth certificate, mother's hospital discharge summary, vaccination certificate, or passport for infants

Nationalised bank passbook with an attested photograph

Pension card or pension document with the passenger's photograph

Disability Photo Identification Card or handicapped medical certificate issued by the respective state/UT governments/administrations

For foreign nationals travelling on domestic flights, the only valid photo identification is a passport

Travel to Port Blair (Andaman and Nicobar Islands)

Foreign Nationals/Non-Indian Nationals/NRI:

Must carry a valid passport for travel to Port Blair. NRIs must have either a Person of Indian Origin (PIO) card or a passport with valid documents.

As the Andaman and Nicobar Islands are a Restricted Area under the Foreign Nationals (Restricted) Order 1963, the provision for the Restricted Area Permit (RAP) has been relaxed for visits by foreigners to 30 islands.

Citizens of China, Afghanistan, and Pakistan, as well as those of Myanmar intending to visit Mayabunder and Diglipur in the North & Middle Andaman District, must obtain prior approval from the Ministry of Home Affairs for entry.

Boarding Pass Information

The boarding pass is issued solely for processing convenience and holds no intrinsic value as a document.

Passengers are advised to retain the boarding pass until exiting the terminal for security reasons.

Passengers on connecting flights should keep their boarding pass accessible for physical checks at transit points.

Security Screening

All passengers will undergo security screening before boarding the aircraft, as mandated by Indian regulations.

Carriage of Infants

Classification and Travel Policy:

"Infants" are defined as children aged above 7 days and below 2 years on the travel date, while "passengers" are those aged 2 years and above. Infants below 7 days of age will require medical authorization from a physician for acceptance. Unaccompanied travel for infants is not permitted, and bookings for infants cannot be made as stand-alone reservations.

Age Proof:

Carry any of the following valid IDs for the infant for age verification at the airport on the travel day:

Birth certificate

Mother's hospital discharge summary

Vaccination certificate

Passport

Failure to provide valid age proof will result in the need to pay the applicable fare at the time of booking, subject to seat availability.

Check-In and Documentation:

Arrive early at the airport to allow sufficient time for check-in, security checks, and potential delays.

Ensure you have all necessary valid documents for your infant for both domestic and international flights.

Seating and Fees:

Infants travel on their parent/guardian's lap and do not require separate seats. An additional fee of INR 1,899 per infant per sector will apply. Each adult can travel with a maximum of one infant due to limited inventory.

Unaccompanied Minor Policy:

Children under the age of 12 require adult accompaniment at all times. SpiceJet accepts children aged between 5 and 12 years travelling alone as unaccompanied minors (UNMR inventory).

UNMR Booking:

The Unaccompanied Minor (UNMR) service can be booked through our website, mobile app, or by calling our reservation numbers: +91 (0)124 4983410 or +91 (0)124 7101600. To book through our website, simply select the "Unaccompanied Minor" option on the homepage when searching for flights.

Fee:

An additional fee of INR 4,999 is charged for each one-way domestic journey for unaccompanied minors.

Travel Requirements:

The Unaccompanied Minor Form

(UNMR form) must be completed and signed by the child's parent(s) or guardian(s) before the departure date. The form can be viewed and downloaded from https://corporate.spicejet.com/content/pdf/UNMR_Form.pdf

If there is more than one minor travelling under the same PNR, only one UNMR form is required, provided that the minors share the same parents, address, and contact number.

On the day of departure, passengers must carry four printed copies of the signed and completed UNMR form to the ticketing counter. This form authorises the airline to care for the child until they are handed over to the designated recipient upon arrival.

Along with the copies of the UNMR form, it is also mandatory to present valid photo identification for both the parent/guardian and the minor(s).

Parent/guardian and the minor(s) must arrive at the departure airport at least 2 hours prior to departure for a smooth handover of the unaccompanied minor(s) to the airport staff.

After the necessary paperwork is processed, the airport staff will take responsibility for the minor(s) from that point onward.

Care and Assistance for Unaccompanied Minors:

Airline staff will assist unaccompanied minors throughout the journey, including during airport procedures.

Seats will be assigned closer to the cabin crew to ensure they are looked after at all times. Dedicated cabin crew will ensure their needs are met in-flight.

A complimentary meal and beverage are provided on board from the available options.

Travel Restrictions for Unaccompanied Minors:

Unaccompanied minors are not accepted if an overnight stay is required for flight connections.

SpiceJet does not transfer unaccompanied minors to international terminals for connecting flights with other airlines.

Unaccompanied minors cannot transit between domestic and international flights with SpiceJet.

Arrival Handover:

Upon arrival, minor(s) are released only to the authorised individual specified in the form, who must present valid photo identification.

The authorised individual designated to receive the unaccompanied minor(s) at the arrival city must arrive at the airport as per the estimated flight arrival time and contact the SpiceJet office for coordination.

Once the minor(s) have been handed over from the flight to our arrival staff, our team will coordinate with the authorised individual for the minor(s)' handover.

The authorised individual must present valid photo identification to the arrival staff before the minor(s) are released.

Any checked-in baggage will be collected by the airline's arrival staff and handed over along with the minor(s) to the parent/guardian.

Web Check-in Restriction for Unaccompanied Minors:

Unaccompanied minors (UNMR) are not eligible for web check-in. Check-in will be completed with the assistance of airline staff when the minor is dropped off at the airport ticketing counter by the parent/guardian.

Wheelchair Assistance Policy

SpiceJet provides wheelchair assistance to passengers at no additional cost. However, please be aware that there is limited availability of wheelchairs on each flight. Passengers can pre-book a wheelchair while booking their tickets on our website or by calling the reservation centre. To ensure proper arrangements, passengers are advised to submit their wheelchair requests at least 24 hours prior to the scheduled departure of their flight.

Emergency Exit Row Seating

Emergency exit rows are specific seating rows on an aircraft that are located near emergency exits, usually on the wings of the plane. These rows are strategically positioned to provide easy access to emergency exits in case of an evacuation. The primary purpose of these seats is to ensure the swift and safe evacuation of passengers in the event of an emergency, such as a fire, crash, or other situations where an immediate evacuation might be necessary.

Passengers seated in emergency exit rows have additional responsibilities and must meet certain criteria, as outlined by aviation regulations and the airline's policies.

Due to their importance in ensuring passenger safety, passengers seated in emergency exit rows are always briefed by the cabin crew on how to properly operate the exit door and assist in an evacuation if needed.

Criteria for Emergency Exit Row Seating:

Passengers who pre-book emergency exit row seats or are assigned to these seats must meet the following conditions:

Be above the age of 15 years on the date of travel.

Be physically and mentally capable of performing tasks associated with opening the emergency exit, as outlined in DGCA CAR - Section 8, Series O, Part VIII, Issue I.

Not suffer from any temporary illness affecting mobility.

Not be travelling with an infant or requiring additional safety assistance, such as pregnant women, individuals using extension seat belts, travellers with guide dogs, or individuals with medical conditions.

Be willing and able to:

Locate and recognise the emergency exit and its opening mechanism.

Comprehend and follow crew instructions regarding emergency exit operations.

Follow oral directions and hand signals given by a crew member.

Operate the emergency exit and secure the door so it does not impede use of the exit.

Assist other passengers and follow a safe path away from the exit in an emergency.

Assess, select, and follow a safe path away from the emergency exit.

Passengers seated near an emergency exit must pay special attention to instructions provided by the cabin crew during briefing sessions on emergency procedures.

If a passenger does not meet these criteria or is unwilling to sit at the emergency exit, SpiceJet may reallocate their seat, particularly during take-off and landing, to ensure safety. SpiceJet also reserves the right to change an assigned seat without prior notice in exigent circumstances, with the seat fee refunded if applicable.

In-Flight Guidelines and Services

Smoking and Alcohol Consumption Restrictions:

Smoking is not allowed on any SpiceJet flights, and all lavatories on SpiceJet aircraft are equipped with smoke detectors to ensure compliance with this policy. The consumption of alcohol is not permitted on SpiceJet's domestic flights.

Payment Methods and On-board Purchases:

Coins are not accepted on all our flights.

In the event of any failure, decline, or rejection of payment by the concerned bank for card payments made on board, it is the sole responsibility of the passenger to settle the declined payment. If the passenger fails to do so, SpiceJet reserves the right to initiate appropriate action for recovery of such amounts, including any additional expenses incurred by SpiceJet. By making any on-board purchases, passengers accept the applicable terms and conditions, and any disputes shall be subject to the exclusive jurisdiction of the Courts at New Delhi, India.

Please note that images of food and beverage products displayed on our platforms, including packaging, are for illustrative purposes only.

Baggage Restrictions and Guidelines

Items Unacceptable as Baggage:

The following articles or items must not be included in the passenger's baggage:

Items that are likely to endanger the aircraft or persons or property on board the aircraft, such as those specified in the International Civil Aviation Organization (ICAO) Technical Instructions for the Safe Transport of Dangerous Goods by Air and the International Air Transport Association (IATA) Dangerous Goods Regulations, and in SpiceJet's regulations. Further information is available from SpiceJet on request, although illustrative examples include:

Compressed gases (deeply refrigerated, flammable, non-flammable, and poisonous), such as butane, oxygen, liquid nitrogen, aqualung cylinders, and compressed gas cylinders such as camping gas.

Corrosives such as acids, alkalis, mercury, and wet cell batteries and apparatus containing mercury.

Explosives, munitions, fireworks, flares, blank cartridges, pistols, or any other weapons, and pistol caps.

Flammable liquids and solids such as lighter refills, lighter fuel, matches, paints, thinners, firelighters, lighters that need inverting before ignition, substances liable to spontaneous combustion, and substances that emit flammable gases on contact with water.

Radioactive materials.

Briefcases and attaché cases with installed alarm or pyrotechnic devices.

Oxidizing materials such as bleaching powder and peroxides.

Poisons and infectious substances such as insecticides, weed killers, and live virus materials.

Other dangerous articles such as magnetized materials and offensive or irritating materials.

Items whose carriage is prohibited by the applicable laws, regulations, or orders of any state to be flown from or to.

Items that are reasonably considered by SpiceJet to be unsuitable for carriage because they are dangerous or unsafe, because of their weight, size, shape, or character, or because they are fragile or perishable, having regard to, among other things, the type of aircraft being used. Information about unacceptable items is available upon request.

Firearms and ammunition other than for hunting and sporting purposes are prohibited from carriage as baggage. Firearms and ammunition for hunting and sporting purposes may be accepted as checked-in baggage. Firearms must be unloaded, with the safety catch on, and suitably packed. The carriage of ammunition is subject to ICAO and IATA regulations as specified in Article.

Dry cell batteries, scissors, sharp instruments, tools, and weapons such as antique firearms, toy weapons, swords, knives, and similar items may be accepted as checked-in baggage at SpiceJet's sole discretion but will not be permitted in the cabin of the aircraft.

The passenger must not include in Checked Baggage money, currency, jewellery, precious metals, computers, personal electronic devices, negotiable papers or instruments, securities or other valuables, business documents, passports, or other identification documents or samples. To the extent that it is necessary to carry such items (at the passenger's risk), they should be carried in the passenger's hand baggage in the cabin.

Medicines and toiletries may be carried in limited quantities if they are necessary or appropriate during the passenger's journey (to the extent that carriage is permitted by the appropriate regulations).

Otherwise, many of these items can be carried as air cargo, provided they are packed in accordance with cargo regulations.

If, despite being prohibited, any items referred to in the above points are included in the passenger's baggage, SpiceJet shall not be responsible for any loss or damage to such items.

Power banks, portable mobile chargers, and spare batteries are allowed only in hand baggage and not in checked-in baggage; their use, charging, or placement in overhead bins during the flight is not permitted. Any abnormal device behaviour must be reported immediately to the cabin crew. If any of these items are detected in the X-ray, your checked-in baggage will not be loaded on the flight due to security reasons. Older generation Apple MacBook Pro laptops with 15-inch screens purchased between September 15 and February 17 are prohibited from being carried in the cabin as well as checked-in baggage.

The carriage of satellite phones (Thuraya and Iridium) is prohibited on all flights.

SpiceJet will not be responsible for, or have any liability in respect of, articles removed from the passenger's baggage by airport security personnel acting in accordance with any applicable regulations.

The permissible limit of 5 litres includes duty-paid alcohol that passengers may buy from the airport.

Bills for such purchases must always be kept handy.

On a domestic flight, alcoholic beverages are only permitted to be carried as checked-in baggage unless they are purchased from duty-paid outlets. These duty-paid alcoholic beverages can then be carried as hand baggage.

Alcoholic beverages carried on board by passengers are not permitted to be opened and/or consumed inside an aircraft.

Carrying alcoholic beverages from or into the states of Bihar, Gujarat, Tripura, Mizoram, Nagaland, UT Lakshadweep, or any other state considered a 'dry state' is not permitted.

Baggage Refusal and Acceptance Guidelines

SpiceJet reserves the right to decline the transportation of items outlined in the "Items Unacceptable as Baggage" section.

SpiceJet retains the discretion to decline carriage of items that, due to their size, shape, weight, content, or nature, could compromise safety, operational efficiency, or the comfort of fellow passengers. Details about prohibited items are accessible upon inquiry.

SpiceJet retains the authority to reject baggage for transportation unless it is appropriately and

securely packed in containers deemed suitable by the airline. Information regarding unacceptable packing methods and containers can be obtained upon request.

Authority to Conduct Searches

To ensure the safety and security of all passengers, SpiceJet may request passengers to cooperate with a search and scan of their person, as well as a search, scan, or x-ray of their baggage. If a passenger is unavailable, their baggage may be searched in their absence. This procedure aims to ascertain whether the passenger is carrying any items mentioned in the section titled "Items Unacceptable as Baggage", or any firearms, ammunition, or weapons that haven't been declared to SpiceJet as per the aforementioned section.

In cases where a passenger declines to comply with these security requests, SpiceJet reserves the right to deny carriage to both the passenger and their baggage. It's important to note that if a search or scan results in damage to the passenger or their baggage, SpiceJet will not be held liable for the damage unless it's attributable to the airline's fault or negligence.

SpiceJet's Baggage Responsibility and Recommendations

SpiceJet assumes no liability for the normal wear and tear of baggage, including but not limited to scratches, torn zippers, straps, wheels, handles, scuffs, dents, soiling, or manufacturer defects.

SpiceJet is not responsible for improperly packed, perishable, damaged, or fragile baggage, minor exterior damage due to regular wear and tear, or water damage to non-waterproof baggage.

Passengers are strongly advised to remove perishable goods, valuables (such as cash, cameras, jewellery, electronics, etc.), and medication from their checked-in baggage and place them in their hand baggage.

SpiceJet will not take responsibility for these items.

Should passengers include valuables in their checked-in baggage despite this recommendation, they do so at their own risk. SpiceJet will not be held accountable for any pilferage, damage, or other loss of these valuables, and any claims in this regard cannot be directed towards SpiceJet, its employees, agents, or successors.

SpiceJet is not liable for any loss or damage caused by delays in the carriage of passengers or baggage.

SpiceJet is not liable for any damage caused by the passenger's baggage. The Passenger shall be responsible for any damage caused by their baggage to other persons or property, including SpiceJet's property.

SpiceJet shall not be held responsible for any compensation claim arising from indirect, consequential, or remote causes of lost, delayed, or damaged checked-in baggage.

SpiceJet's responsibility for passengers' checked-in baggage begins when the baggage is checked in at the departure airport and continues until it is placed on the conveyor belt at the destination airport. We take every reasonable step to ensure the safe custody of the baggage during this period.

Receipt of checked-in baggage without complaint at the end of the journey serves as prima facie evidence that the baggage was delivered correctly and in good condition.

In cases of damaged or lost checked-in baggage, SpiceJet's liability will be governed by the provisions of the Carriage by Air Act, 1972, and the associated rules, including any exceptions, modifications, or adaptations issued by the Ministry of Civil Aviation, Government of India, and updated as needed.

SpiceJet's liability for lost or damaged checked-in baggage is limited to INR 350 per kilogram.

SpiceJet assumes no liability for fragile or perishable articles included in checked-in baggage.

SpiceJet will not be responsible for any loss, delay, or damage resulting from its compliance with the applicable laws or from a passenger's failure to adhere to these laws. Under no circumstances will SpiceJet's liability exceed the amount of proven damages.

Cancellations, Changes, and Delay Policies

At SpiceJet, we recognise that travel plans may require adjustments. Our policies for cancellations, changes, and delays are designed to provide the necessary support and flexibility. Below are the key details regarding each aspect of our policies.

Cancellation and Changes Initiated by the Passenger:

In the event of a booking cancellation or change initiated by the passenger, the following guidelines will apply:

Look-In Option:

SpiceJet provides a 48-hour "Look-In" period post-booking, during which passengers can amend or cancel their ticket without any additional charges, except for any applicable fare difference for the revised flight. This option is only applicable for bookings where the first leg of travel is scheduled to depart more than 7 days after the booking date and is applicable to direct bookings made through the airline website. To avail of this option, passengers must contact SpiceJet's Reservation Centre at +91 (0)124 4983410 or +91 (0)124 7101600.

Split PNR Functionality:

A feature offered to SpiceJet passengers across various channels, including the SpiceJet website, mobile app, mobile site, and reservation centres. This feature allows passengers to separate or "split" a portion of their booking into a new Passenger Name Record (PNR). The feature is designed to provide flexibility, enabling a passenger to modify or cancel their segment of the booking without affecting the entire reservation. You can easily access this functionality online via the

"Manage Booking"

tab on the SpiceJet website, as well as through the mobile app and mobile site.

Key Features:

Applicability:

The Split PNR functionality is available for bookings with two or more passengers on both domestic and international flights.

For Friends & Family fares, a minimum of four passengers is required in a PNR to be eligible for a split. After the split, each PNR must have at least two passengers. For bookings with five or more passengers, the split PNR must also include at least two passengers.

Booking Changes:

When a passenger is split from the original booking, a new PNR will be created for the split passenger.

The contact details in the new PNR will remain unchanged from the original booking.

The Split PNR functionality is not applicable to Group PNRs and LTC (Leave Travel Concession) PNRs.

The cancellation and change policies applicable to the PNR will remain in accordance with the fare rules of the original booking.

SpiceJet reserves the right to modify, alter, amend, or change any and all of the terms and conditions of this functionality at any time, without prior notice. SpiceJet also reserves the right to withdraw or cancel this offer at any time, without prior notice.

Note:

The Split PNR functionality is designed to ensure that any changes made by one passenger do not impact the rest of the booking. SpiceJet encourages passengers to carefully review all terms, conditions, and disclaimers before initiating the Split PNR process.

Date Change:

For domestic sectors, any changes related to the date of travel will incur applicable charges as detailed in the table below. If the original fare is unavailable at the time of change, the fare difference will also be applied in addition to the change fee. All fees are subject to change without prior notice.

Sector Change:

Requests to change the sector for domestic bookings will attract either the applicable cancellation fee, or the base fare plus fuel surcharge per passenger per sector, whichever is lower. If the same fare is unavailable at the time of change, the fare difference will also be applied along with any other applicable fees. All fees are subject to change without prior notice.

Additional Charges for Bookings via Reservation Centre or Airport Counters:

For booking cancellations and flight changes requested via the SpiceJet reservation centre or airport ticketing counters, an additional sum of INR 250 per passenger per flight will be charged.

Non-Cancellable Add-On Services:

Add-on services such as meals, SpiceMax, excess baggage, lounge access, priority check-in, and preferred bag-out are non-cancellable in isolation.

Name Correction Policy:

Recognising that booking errors can happen, SpiceJet is committed to providing a smooth travel experience. To help make your journey as easy as possible, we offer the opportunity to rectify minor discrepancies as outlined in the following guidelines:

Name corrections can only be made once.

Only one letter change is allowed in either the first or last name, including letter substitutions such as changing 'ee' to 'i'.

Title corrections are allowed at no additional charge, regardless of the time of change. However, once a

title correction is made, no further name corrections will be permitted.

Full name changes are not permitted.

Initials are displayed as single letters and cannot be changed to different letters or expanded to full names. For example, if an initial is shown as 'A', it cannot be altered to 'B' or expanded to a full name.

Name corrections are free within 24 hours of booking. After 24 hours, a Name Correction Fee of INR 500 for domestic flights and INR 1000 for international flights will apply.

Passengers who have already checked in cannot make name corrections through our website or app. For assistance with this matter, please contact our reservations centre at +91 (0)124 4983410 or +91 (0)124 7101600.

The name correction fee shall be deemed non-refundable in the event that the passenger cancels the ticket. However, such fee shall be refunded in instances where the flight is cancelled by the airline due to irregular operations.

Please ensure your booking name matches your identification proof.

Promo and Sale Fare Restrictions and Refund Guidelines:

All spicy promotional or auction fares, particularly those purchased in conjunction with return fares, are restrictive and non-refundable, may not permit flight changes, and are subject to limited inventory available on a first-come, first-served basis; passengers are advised to check fare restrictions when booking, and SpiceJet reserves the right to withdraw or amend promotions without prior notice.

In the event of cancellation, non-utilization, or no-show on promo or special fares where the basic fare is non-refundable, passengers will be entitled to a refund of statutory taxes, including the User Development Fee (UDF), Airport Development Fee (ADF), and Passenger Service Fee (PSF), as applicable. However, bookings on flights to/from certain routes such as Ajmer, Belagavi, Durgapur, Gwalior, Jaisalmer, Jalandhar, Jharsuguda, Kandla, Kanpur, Pondicherry, Darbhanga, and Porbandar are excluded from this refund as no taxes are collected on these routes.

Cancellation Initiated by the Airline:

SpiceJet will make all reasonable efforts to ensure the timely operation of its scheduled flights.

However, unforeseen circumstances may cause a delay or cancellation of its scheduled operations. In the event of a booking cancellation initiated by the airline, the following guidelines will come into effect:

Passenger(s) who have provided a correct and working mobile number or e-mail at the time of reservation and have been informed about flight cancellation at least two weeks before the scheduled time of departure shall be entitled to an alternate flight or a full refund, as per their preference. However, if passengers are informed of the cancellation less than two weeks before and up to 24 hours before the scheduled time of departure, SpiceJet shall offer an alternate flight or provide a full refund if no suitable alternative is available.

Passengers who have not been informed as per the above provisions or have missed a connecting flight

booked on the same PNR of a SpiceJet flight are entitled to the following options:

SpiceJet will provide an alternate flight that is acceptable to the passenger.

In the event that an alternate flight is not provided, SpiceJet will offer compensation in addition to a full refund of the air ticket. The compensation provided by SpiceJet will be in accordance with the compensation policy outlined by the airline, as mentioned below:

INR 5,000 or booked one-way basic fare plus airline fuel charge, whichever is less for flights having a block time of 01 hour or less.

INR 7,500 or booked one-way basic fare plus airline fuel charge, whichever is less for flights having block time of more than 01 hour and up to and including 02 hours.

INR 10,000 or booked one-way basic fare plus airline fuel charge, whichever is less for flights having a block time of more than 02 hours.

Flight cancellation compensation shall be paid in cash, via bank transfer, or - upon the passenger's signed consent - in the form of travel vouchers, in accordance with DGCA CAR Section 3 - Air Transport Series 'M', Part IV, dated August 6, 2010.

In situations where SpiceJet offers an alternative flight to or from an airport or terminal different from the one originally booked by the customer, the airline will bear the cost of the transfer between the alternate airport or terminal and the one for which the ticket was initially booked. However, if the passenger has been informed of the flight change at least 6 hours in advance, they will be responsible for making their own arrangements for the transfer to or from the alternate airport or terminal.

In cases where adverse weather conditions or circumstances beyond SpiceJet's control lead to the cancellation or delay of your flight, SpiceJet will make efforts to aid you in reaching your destination. However, SpiceJet cannot be held liable for any consequences arising from the delay or cancellation.

Flight Rescheduling by the Airline:

If SpiceJet cancels a flight, prepones the flight schedule by sixty (60) minutes or more, or postpones the flight by one hundred and twenty (120) minutes or more, affected passengers have the following options:

Alternate Flight Accommodation:

Passengers can choose accommodation on alternate flights for the same sector within the next or preceding seven (07) days from the original date of journey, subject to availability and at SpiceJet's discretion.

To avail themselves of this option, passengers must request these changes within 24 hours of the departure time of their original flight.

OR

Full Refund:

Passengers can opt for a full refund of the amount paid for the original booking.

Delayed Flights and Passenger Entitlements:

This section details the policies related to flight delays and the corresponding entitlements available to passengers, ensuring they are informed of their rights and the support they can expect during such situations.

In the event that the passenger has checked in on time and the SpiceJet flight is delayed from its original scheduled departure time, SpiceJet shall provide reasonable refreshments to such checked-in passengers. Following are these scenarios:

In accordance with Para 3.8.1(a) of CAR Section 3, Series M Part IV, passengers are entitled to the following facilities based on the duration of the flight delay:

Up to 2 hours: Drinking water will be provided.

Between 2 to 4 hours: Tea, coffee, and light snacks or refreshments will be provided.

More than 4 hours: Meals will be provided.

In the event that any domestic flight is expected to be delayed by more than 6 hours, passengers shall be informed 24 hours prior to the original scheduled departure time, or SpiceJet shall offer the option of either an alternate flight within a period of 6 hours or a full refund.

In the event that the expected time of departure is delayed in total by more than 24 hours from the original schedule time of departure, or in the event that the delay is more than 6 hours for the flights scheduled to depart between 2000 hours and 0300 hours, hotel accommodation shall be provided wherever necessary. SpiceJet shall have absolute discretion in the selection of hotels under the given circumstances, and no reimbursement shall be made in this regard.

Delay or Cancellation of Connecting Flights and Passenger Entitlements:

In case of delay or cancellation of a flight operated as part of the connecting flights, the following shall apply:

In case of delay or cancellation of the flight at the point of origin, which leads to the possibility of a missed connection at the point of transit, the passenger shall have the right to choose a refund, a credit shell for future travel on SpiceJet, or re-booking onto an alternative SpiceJet flight at no additional cost, subject to availability.

In case of a delay or cancellation of the connecting flight at the point of transit, SpiceJet will, at its discretion and subject to the availability of seats, offer the passenger the option to travel on the next SpiceJet flight.

SpiceJet does not provide connections with other airlines and shall not be liable for any losses incurred by passengers attempting to connect with flights operated by other carriers.

Exemptions from Compensation in Specified Scenarios

No compensation, as mentioned in the previous sections, will be payable to affected passengers if:

Adequate contact information (i.e., mobile number or email) has not been provided by the passenger(s) at the time of reservation.

Cancellations and/or delays occur due to a force majeure event that led to flight cancellation and could

not have been avoided even with all reasonable measures taken by SpiceJet. For this purpose, a force majeure event includes, but is not limited to, political instability, natural disasters, civil war, insurrection or riot, floods, explosions, government regulations or orders affecting the aircraft, strikes, labor disputes causing cessation, slowdown, interruption of work, meteorological conditions, mechanical failures, commotion, embargoes, cancellations, or delays clearly attributable to Air Traffic Control, security or safety risks, or any other factor beyond the control of SpiceJet. Cancellations or changes are made within 2 hours prior to the scheduled departure time, or if passengers fail to check in at least 60 minutes before departure for a SpiceJet flight, resulting in the forfeiture of the fare.

The compensation mentioned above for the respective categories is not cumulative and cannot be combined. These policies are governed by the Civil Aviation Requirements of the Ministry of Civil Aviation, Government of India. Passenger Initiated Changes and Offloading Policies

Self or Voluntary Offload

To ensure operational efficiency and passenger comfort, the policies regarding self or voluntary offloading after boarding are detailed below.

Self or voluntary offloading after boarding the flight by the passenger is strictly not permitted, except in an unforeseen event of a medical emergency or similar cases, such as the death of relatives, for which the passenger will have to provide evidence to the satisfaction of SpiceJet.

Self or voluntary offloading causes unwarranted inconvenience to other travelling passengers, delays in the operation of flights, and also incurs additional costs for the airline for such delays.

If a passenger offloads themselves for any reason other than the exceptions mentioned above, SpiceJet will cancel the entire ticket for that passenger's intended travel. Additionally, any further transportation, whether booked under the same Passenger Name Record (PNR) or different PNRs, will also be cancelled, and no refunds will be provided in such cases.

Each passenger who is offloaded for reasons other than the exceptions mentioned will be subject to an off-loading fee of INR 10,000 per passenger. This fee must be paid immediately upon offloading.

Furthermore, SpiceJet retains the right to recover from each offloaded passenger any and all costs, whether direct or consequential, arising from disrupted operations. These costs may include, but are not limited to, expenses related to baggage removal, flight delays, disruptions, misconnections, and inconvenience caused to other passengers.

SpiceReclaim (Voluntary Seat Surrender Programme)

Compensation for Denied Boarding and Alternate Flight Arrangements:

Passengers who have been denied boarding will not qualify for compensation if an alternate flight is arranged to depart within one hour of the original scheduled departure time of their initial reservation.

However, if no alternative arrangement is provided, passengers will be eligible for the following compensation:

If it is found that the passenger's own negligence caused or contributed to the injury, SpiceJet will be fully exempt from liability.

SpiceJet will not be held responsible for any illness, injury, disability, or death resulting from a pre-existing medical condition or the worsening of such a condition during their travel with SpiceJet.

Furthermore, SpiceJet expressly disclaims liability for any illness, injury, or death caused by any disease, epidemic, or pandemic, contracted on board a SpiceJet flight or during the boarding, disembarking, or related processes.

are applicable.

The following Conditions of Carriage outline the terms and conditions governing your travel with SpiceJet. These conditions are applicable unless they conflict with SpiceJet's Tariffs or any applicable law, in which case such Tariffs or laws will take precedence. If any provision within these conditions is invalid under the law, the remaining provisions will still apply. Additionally, where there is any inconsistency between these Conditions of Carriage and other SpiceJet regulations, these conditions will prevail unless specifically stated otherwise.

The title of each section of these Conditions of Carriage is for convenience only, and should not be used for the interpretation of the text.

SpiceJet Travel Policies

At SpiceJet, we operate as a ticketless airline, meaning that an itinerary does not constitute a document of carriage. The booking in the SpiceJet database serves as the primary record of carriage. In the event of discrepancies between the itinerary and the booking in our database, the latter will prevail. The ticket remains the property of the issuing carrier at all times, and SpiceJet does not issue open tickets, meaning no period of validity is applicable. Below are important travel policies you should be aware of:

Identification and Travel Requirements

Identification Requirements:

SpiceJet will provide carriage only to the passenger(s) named on the ticket. Passengers are required to present appropriate identification proof at the time of travel. For all international flights, a valid passport is the only acceptable form of identification.

International Travel Documentation:

For all international flights, the passport must be valid for at least six months from the date of travel. Passengers are responsible for ensuring they have valid visas and other required travel documents. SpiceJet advises passengers to confirm travel requirements with the consulate of the destination country. The Passenger is solely responsible for obtaining all necessary travel documents and visas and for complying with all applicable laws, regulations, orders, demands, requirements, rules, or instructions of the countries they will be travelling to, from, or through. SpiceJet shall not be liable for any consequences resulting from a passenger's failure to secure these documents or comply with such laws, regulations, orders, demands, requirements, rules, or instructions.

Disembarkation Card Requirement for Foreign Nationals

All foreign nationals visiting India are required to fill out the Disembarkation Card at least 72 hours prior to their arrival. The online form can be completed through the following platforms:

BoI website:

<https://boi.gov.in>

Indian Visa website:

<https://indianvisaonline.gov.in>

Official "Indian Visa Sugam/Swagatam" Mobile App

For convenience, you can also scan this

QR code

to directly access the online Disembarkation Card form.

Boarding Pass Retention:

Passengers are advised to retain their boarding pass until they exit the terminal for security reasons. Passengers on via and connecting flights should keep their boarding pass handy for physical checks at transit points.

Refusal of Entry:

If a passenger is denied entry into any country, they will be responsible for any fines or charges imposed on SpiceJet by the relevant Government and for the cost of their transportation from that country. The fare collected for travel to the point of refusal or denied entry will not be refunded by SpiceJet.

Passenger Responsibility for Fines and Costs:

If SpiceJet incurs any fines, penalties, or expenses due to the passenger's failure to comply with the laws, regulations, orders, or travel requirements of the concerned countries, or if the passenger fails to produce the required documents, the passenger shall reimburse SpiceJet on demand for any amounts paid or expenses incurred. SpiceJet may use any value of unused carriage on the passenger's ticket or any of the passenger's funds in SpiceJet's possession towards such payments or expenditures.

Customs Inspection:

Passengers must attend inspections of their baggage conducted by customs or other Government officials when required. SpiceJet will not be liable for any loss or damage incurred during such inspections or due to the Passenger's failure to comply with this requirement.

Security Inspection:

Passengers must agree to undergo any security checks conducted by Governments, airport officials, carriers, or SpiceJet.

Fares and Charges

Fares:

Fares apply only for carriage from the airport at the point of origin to the airport at the point of destination unless otherwise expressly stated. Fares do not include ground transport services between airports and town terminals. Passengers' fares are calculated in accordance with SpiceJet's Tariff on the date of payment for travel on the specific dates and itinerary shown on the ticket. Any change in itinerary or travel dates may alter the fare.

Fare Types and Restrictions:

Certain tickets may be sold at discounted fares that can be partially or completely non-refundable. Passengers should choose fares based on their needs, as some fares may have restrictions on changes and cancellations. Promo/sale fares are typically non-refundable, and changes may not be permitted. In case of cancellation of a non-cancellable ticket, only the taxes, duties, levies, or fees will be refunded.

Taxes, Duties, Fees, and Surcharges:

The amount of applicable taxes, duties, fees, charges, or surcharges payable by the passenger is calculated on the date of ticket issuance. If there are changes to these charges after issuance, passengers are not obligated to pay any additional amount unless they change their travel date or rebook the ticket. Certain surcharges, such as User Development Fees, may also need to be paid to regulatory authorities.

For flights from Kathmandu to India, an additional 13% VAT applies to all ancillary products, whether booked in advance or at the airport.

Reservation and Personal Data

Reservation Requirements:

Some fares may limit or exclude the right to change or cancel reservations. Passengers are required to provide SpiceJet or its authorised agents with a valid mobile number at the time of reservation for each city in their itinerary. This information will assist the airline in informing passengers of any irregularities with their booked flight.

The Passenger acknowledges that their personal data has been provided to SpiceJet for various purposes, including making a reservation, purchasing a ticket, obtaining ancillary services or products offered by SpiceJet and its partners, developing and enhancing services, facilitating immigration and entry procedures, and sharing this data with government agencies in connection with their travel. Parent/guardian and the minor(s) must arrive at the departure airport at least 3 hours prior to departure for a smooth handover of the unaccompanied minor(s) to the airport staff.

The authorised individual designated to receive the unaccompanied minor(s) at the arrival city must arrive at the airport as per the estimated flight arrival time and contact the SpiceJet office for coordination.

Once the minor(s) have been handed over from the flight to our arrival staff, our team will coordinate with the authorised individual for the minor(s)' handover.

The authorised individual must present valid photo identification to the arrival staff before the minor(s) are released.

Any checked-in baggage will be collected by the airline's arrival staff and handed over along with the minor(s) to the parent/guardian.

Important information regarding Minors & Children below the age of 18 years traveling to the UAE:

Children aged 5 to 18 years can travel alone to the UAE only as unaccompanied minors, and must have a copy of their parents' passports. They also need to have a form filled out by their parents with relevant details of their home address/U.A.E. address, and information about who will be receiving them in the UAE.

If the minor or child is traveling with another family member, an authorization letter from the parents or guardians, along with a copy of the parent or guardian's passport, is required.

The minor may be deported if immigration suspects illegal activity and the provided information is insufficient to address it. In such cases, the normal INAD process and subsequent fines will apply.

Wheelchair Assistance:

Service Availability:

SpiceJet provides wheelchair assistance for passengers requiring it. Due to limited availability, passengers are advised to request a wheelchair at least 24 hours prior to their scheduled departure time.

If a seat has not been pre-booked, seats will be assigned at the airport check-in counters on a first-come, first-served basis. SpiceJet reserves the right to assign or reassign seats at any time, even after boarding of the aircraft.

Emergency Exit Row Seating

Emergency exit rows are specific seating rows on an aircraft that are located near emergency exits, usually on the wings of the plane. These rows are strategically positioned to provide easy access to emergency exits in case of an evacuation. The primary purpose of these seats is to ensure the swift and safe evacuation of passengers in the event of an emergency, such as a fire, crash, or other situations where an immediate evacuation might be necessary.

Passengers seated in emergency exit rows have additional responsibilities and must meet certain criteria, as outlined by aviation regulations and the airline's policies.

Due to their importance in ensuring passenger safety, passengers seated in emergency exit rows are always briefed by the cabin crew on how to properly operate the exit door and assist in an evacuation if needed.

Criteria for Emergency Exit Row Seating:

Passengers who pre-book emergency exit row seats or are assigned to these seats must meet the following conditions:

Be above the age of 15 years on the date of travel.

Be physically and mentally capable of performing tasks associated with opening the emergency exit, as outlined in DGCA CAR - Section 8, Series O, Part VIII, Issue I.

Not suffer from any temporary illness affecting mobility.

Not be travelling with an infant or requiring additional safety assistance, such as pregnant women, individuals using extension seat belts, travellers with guide dogs, or individuals with medical conditions.

Be willing and able to:

Locate and recognise the emergency exit and its opening mechanism.

Comprehend and follow crew instructions regarding emergency exit operations.

Follow oral directions and hand signals given by a crew member.

Operate the emergency exit and secure the door so it does not impede use of the exit.

Assist other passengers and follow a safe path away from the exit in an emergency.

Assess, select, and follow a safe path away from the emergency exit.

Passengers seated near an emergency exit must pay special attention to instructions provided by the cabin crew during briefing sessions on emergency procedures.

If a passenger does not meet these criteria or is unwilling to sit at the emergency exit, SpiceJet may reallocate their seat, particularly during take-off and landing, to ensure safety. SpiceJet also reserves the right to change an assigned seat without prior notice in exigent circumstances, with the seat fee refunded if applicable.

Electronic Devices

For safety reasons, SpiceJet may restrict or prohibit the operation of certain electronic devices aboard the aircraft. This includes, but is not limited to, the following:

Cellular telephones

Laptop computers

Portable recorders

Portable radios

CD players

Electronic games

Transmitting devices, such as radio-controlled toys and walkie-talkies

However, the operation of hearing aids and heart pacemakers is permitted.

Check-In and Documentation:

Arrive early at the airport to allow sufficient time for check-in, security checks, and potential delays.

Ensure you have all necessary valid documents for your infant, including their passport and visa.

Cancellations, Changes, and Delay Policies

At SpiceJet, we recognise that travel plans may require adjustments. Our policies for cancellations, changes, and delays are designed to provide the necessary support and flexibility. Below are the key details regarding each aspect of our policies.

Changes Initiated by the Passenger

A change in flight date, time, origin, or destination constitutes a change in booking and will incur a flight change fee, plus any applicable fare difference.

Changes to a booking may be made up to 4 hours prior to the scheduled departure time.

A flight change fee will apply per passenger, per sector, per change. Please refer to the tables below for applicable fees on international bookings.

If flight changes are requested via SpiceJet Reservations or at airport ticketing counters, an additional fee of INR 250 per passenger, per flight will be charged.

In addition to the change fee, any upward difference between the original fare and the current fare, including changes in taxes, fees, and surcharges, will apply.

If the current available fare is lower than the original, the balance will be retained as a credit shell.

Split PNR Functionality:

A feature offered to SpiceJet passengers across various channels, including the SpiceJet website, mobile app, mobile site, and reservation centres. This feature allows passengers to separate or "split" a portion of their booking into a new Passenger Name Record (PNR). The feature is designed to provide flexibility, enabling a passenger to modify or cancel their segment of the booking without affecting the entire reservation. You can easily access this functionality online via the

"Manage Booking"

tab on the SpiceJet website, as well as through the mobile app and mobile site.

Key Features:

Applicability:

The Split PNR functionality is available for bookings with two or more passengers on both domestic and international flights.

For Friends & Family fares, a minimum of four passengers is required in a PNR to be eligible for a split.

After the split, each PNR must have at least two passengers. For bookings with five or more passengers, the split PNR must also include at least two passengers.

Booking Changes:

When a passenger is split from the original booking, a new PNR will be created for the split passenger.

The contact details in the new PNR will remain unchanged from the original booking.

The Split PNR functionality is not applicable to Group PNRs and LTC (Leave Travel Concession) PNRs.

The cancellation and change policies applicable to the PNR will remain in accordance with the fare rules of the original booking.

SpiceJet reserves the right to modify, alter, amend, or change any and all of the terms and conditions of this functionality at any time, without prior notice. SpiceJet also reserves the right to withdraw or cancel this offer at any time, without prior notice.

Note:

The Split PNR functionality is designed to ensure that any changes made by one passenger do not impact the rest of the booking. SpiceJet encourages passengers to carefully review all terms, conditions, and disclaimers before initiating the Split PNR process.

Name Correction Policy:

Recognising that booking errors can happen, SpiceJet is committed to providing a smooth travel experience. To help make your journey as easy as possible, we offer the opportunity to rectify minor discrepancies as outlined in the following guidelines:

Name corrections

can only be made once.

Title corrections

Full name changes

are not permitted.

Initials

are displayed as single letters and cannot be changed to different letters or expanded to full names. For example, if an initial is shown as 'A', it cannot be altered to 'B' or expanded to a full name.

Name corrections

are free within 24 hours of booking. After 24 hours, a Name Correction Fee of INR 500 for domestic flights and INR 1000 for international flights will apply.

Passengers who have already checked in cannot make name corrections through our website or app. For assistance with this matter, please contact our reservations centre at +91 (0)124 4983410 or +91 (0)124 7101600.

Please ensure your booking name matches your identification proof.

Cancellation Initiated by the Passenger

Look-In Option:

SpiceJet provides a 48-hour "Look-In" period post-booking, during which passengers can amend or cancel their ticket without any additional charges, except for any applicable fare difference for the revised flight. This option is only applicable for bookings where the first leg of travel is scheduled to depart more than 15 days after the booking date and is applicable to direct bookings made through the airline website. To avail of this option, passengers must contact SpiceJet's Reservation Centre at +91 (0)124 4983410 or +91 (0)124 7101600.

Cancellation Initiated by the Airline

SpiceJet will make all reasonable efforts to ensure the timely operation of its scheduled flights.

However, unforeseen circumstances may cause a delay or cancellation of its scheduled operations. In the event of a booking cancellation initiated by the airline, the following guidelines will come into effect:

Passenger(s) who have provided a correct and working mobile number or e-mail at the time of reservation and have been informed about flight cancellation at least two weeks before the scheduled time of departure shall be entitled to an alternate flight or a full refund, as per their preference. However, if passengers are informed of the cancellation less than two weeks before and up to 24 hours before the scheduled time of departure, SpiceJet shall offer an alternate flight or provide a full refund if no suitable alternative is available.

Passengers who have not been informed as per the above provisions or have missed a connecting flight booked on the same PNR of a SpiceJet flight are entitled to the following options:

SpiceJet will provide an alternate flight that is acceptable to the passenger.

In the event that an alternate flight is not provided, SpiceJet will offer compensation in addition to a full refund of the air ticket. The compensation provided by SpiceJet will be in accordance with the compensation policy outlined by the airline, as mentioned below:

INR 5,000 or booked one-way basic fare plus airline fuel charge, whichever is less for flights having a block time of 01 hour or less.

INR 7,500 or booked one-way basic fare plus airline fuel charge, whichever is less for flights having block time of more than 01 hour and up to and including 02 hours.

INR 10,000 or booked one-way basic fare plus airline fuel charge, whichever is less for flights having a block time of more than 02 hours.

Flight cancellation compensation shall be paid in cash, via bank transfer, or - upon the passenger's signed consent - in the form of travel vouchers, in accordance with DGCA CAR Section 3 - Air Transport Series 'M', Part IV, dated August 6, 2010.

In situations where SpiceJet offers an alternative flight to or from an airport or terminal different from the one originally booked by the customer, the airline will bear the cost of the transfer between the alternate airport or terminal and the one for which the ticket was initially booked. However, if the passenger has been informed of the flight change at least 6 hours in advance, they will be responsible for making their own arrangements for the transfer to or from the alternate airport or terminal.

In cases where adverse weather conditions or circumstances beyond SpiceJet's control lead to the cancellation or delay of your flight, SpiceJet will make efforts to aid you in reaching your destination. However, SpiceJet cannot be held liable for any consequences arising from the delay or cancellation.

Flight Rescheduling by the Airline:

If SpiceJet cancels a flight, prepones the flight schedule by sixty (60) minutes or more, or postpones the flight by one hundred and twenty (120) minutes or more, affected passengers have the following options:

Alternate Flight Accommodation:

Passengers can choose accommodation on alternate flights for the same sector within the next or preceding seven (07) days from the original date of journey, subject to availability and at SpiceJet's discretion. To avail themselves of this option, passengers must request these changes within 24 hours of the departure time of their original flight.

OR

Full Refund:

Passengers can opt for a full refund of the amount paid for the original booking.

Delayed Flights and Passenger Entitlements

This section details the policies related to flight delays and the corresponding entitlements available to passengers, ensuring they are informed of their rights and the support they can expect during such situations. In the event that the passenger has checked in on time and the SpiceJet flight is delayed from its original scheduled departure time, SpiceJet shall provide reasonable refreshments to such checked-in passengers. The entitlements are as follows:

Up to 2 hours: Drinking water will be provided.

Between 2 to 4 hours: Tea, coffee, and light snacks or refreshments will be provided.

More than 4 hours: Meals will be provided.

In the event that the expected time of departure is delayed in total by more than 24 hours from the original schedule time of departure, or in the event that the delay is more than 6 hours for the flights scheduled to depart between 2000 hours and 0300 hours, hotel accommodation shall be provided wherever necessary. SpiceJet shall have absolute discretion in the selection of hotels under the given circumstances, and no reimbursement shall be made in this regard.

Please note that SpiceJet does not provide connections with other airlines and shall not be liable for any losses incurred by passengers attempting to connect with flights operated by other carriers.

Refund Processing and Methods

The following outlines the procedures and conditions for processing refunds on SpiceJet tickets:

SpiceJet will process refunds for tickets in accordance with the applicable fare rules.

Refunds will be issued using the same payment method and currency that was used for the original ticket purchase.

In such instances, the passenger shall be entitled to a full refund.

SpiceJet may also refuse carriage to the passenger or their baggage if it reasonably believes that one or more of the following circumstances apply:

Such action is deemed necessary to comply with applicable government laws, regulations, or orders.

The carriage of the passenger or their baggage may endanger or affect the safety, health, or materially impact the comfort of other passengers or crew members.

The immigration authority for the destination country, or any country where the passenger has a stopover, has communicated (either orally or in writing) that the passenger will not be allowed entry, regardless of their travel document status.

The passenger presents a ticket that has been acquired unlawfully, purchased from an entity other than SpiceJet or an authorized agent, is counterfeit, or cannot prove they are the person named in the ticket.

The passenger presents a ticket that has been issued or altered in any way not performed by SpiceJet or its authorized agent.

The passenger fails to observe SpiceJet's instructions regarding safety or security.

The passenger has refused or failed to undergo health screening or examination as requested by SpiceJet or a government enforcement agency.

The passenger has not completed the check-in deadline or has failed to arrive at the boarding gate on time.

The passenger has previously committed any of the acts or omissions referenced above, and SpiceJet has reasonable grounds to believe that they may do so again.

Denied Boarding

In the event of a situation arising due to unavoidable circumstances (e.g., clubbing of flights, change of aircraft type, flight overbooking, etc.) resulting in passengers being denied boarding against their will, the passenger(s) will be eligible for the following amount of compensation, as mentioned.

Compensation for Denied Boarding and Alternate Flight Arrangements:

Passengers who have been denied boarding will not qualify for compensation if an alternate flight is arranged to depart within one hour of the original scheduled departure time of their initial reservation. However, if no alternative arrangement is provided, passengers will be eligible for the following compensation:

An amount equal to 200% of the booked one-way basic fare plus airline fuel charge, subject to a maximum of INR 10,000, in case SpiceJet arranges an alternate flight that is scheduled to depart within 24 hours of the booked scheduled departure.

An amount equal to 400% of the booked one-way basic fare plus airline fuel charge, subject to a maximum of INR 20,000, in case SpiceJet arranges an alternate flight that is scheduled to depart more than 24 hours before the booked scheduled departure.

In case the passenger does not opt for an alternate flight, they will receive a refund of the full value of the ticket and compensation equal to 400% of the booked one-way basic fare plus airline fuel charge, subject to a maximum of INR 20,000.

Denied boarding compensation shall be paid in cash, via bank transfer, or - upon the passenger's signed consent - in the form of travel vouchers, in accordance with DGCA CAR Section 3 - Air Transport Series 'M', Part IV, dated August 6, 2010.

Compensation for Denied Boarding on Connecting Flight:

If a passenger has booked connecting flights with SpiceJet and experiences a delay at the departure station due to denied boarding, they will be eligible for compensation for the first leg as per the provided provisions. This compensation applies when the passenger arrives at the final destination at least three hours later than the originally scheduled arrival time.

Conditions for Denying Boarding:

SpiceJet reserves the right to deny boarding to any passenger who is under the influence of alcohol or drugs, or where it is deemed necessary for the safety and comfort of the passenger, other passengers, or the protection of property. This includes concerns related to unsuitable attire, cleanliness issues, intoxication, or medical reasons. Boarding may also be denied in the absence of adequate travel documents, and no compensation shall be payable in such cases.

Unacceptable Behaviour

If, in SpiceJet's reasonable opinion, a passenger's conduct is observed to endanger the aircraft or any person or property on board, obstruct the crew in the performance of their duties, or fail to comply with any crew instructions-including but not limited to those regarding smoking, consumption of alcohol or drugs, or behaviour creating inconvenience to other passengers (including under the influence of alcohol)-SpiceJet reserves the right to take all necessary steps to prevent such conduct, including restraint.

Each passenger shall be liable to pay a penalty of INR 10,000, which will be levied and must be paid immediately.

Such passengers may be refused onward carriage at any point and may be prosecuted for offences committed on board the aircraft.

Additionally, SpiceJet reserves the right to offload any such passenger from the flight and recover any and all costs (whether direct or consequential) incurred due to their behaviour. This includes, but is not limited to, air traffic control charges, diversion fuel costs, airport landing charges, necessary flight crew costs, and costs resulting from disrupted operations, flight delays, misconnections, and inconvenience to other passengers.

If, as a result of a passenger's conduct of the sort mentioned above, SpiceJet decides, in the exercise of its reasonable discretion, to divert the aircraft for the purpose of offloading that passenger, the passenger must pay all costs resulting from that diversion.

Liability for Passenger Injury or Death

In the event of death or bodily injury sustained by a passenger while on board a SpiceJet flight, or during the course of carriage by air, SpiceJet's liability will be determined in accordance with the applicable provisions of the Carriage by Air Act, 1972, and any subsequent amendments. If it is found that the passenger's own negligence caused or contributed to the injury, SpiceJet will be fully exempt from liability.

SpiceJet will not be held responsible for any illness, injury, disability, or death resulting from a pre-existing medical condition or the worsening of such a condition during their travel with SpiceJet. Furthermore, SpiceJet expressly disclaims liability for any illness, injury, or death caused by any disease, epidemic, or pandemic, contracted on board a SpiceJet flight or during the boarding, disembarking, or related processes.

In cases where SpiceJet assists in transporting passengers of another airline due to service disruptions in other airlines, SpiceJet assumes no responsibility for the actions or omissions of the other airline, including delays, flight status changes, or any operational issues arising from their services.

Liability and Conditions of Carriage

Passengers are advised to review SpiceJet's regulations and conditions, as they may vary from time to time and are crucial to ensuring compliance during travel.

Nothing in these Conditions of Carriage shall waive any exclusion or limitation of SpiceJet's liability under applicable laws unless otherwise expressly stated.

Defenses Against Claims

Nothing in these Conditions of Carriage shall waive any exclusion or limitation of SpiceJet's liability or any defense available to SpiceJet under applicable laws as against any public social insurance body or any person who is liable to pay compensation or has paid compensation in respect of the death, wounding, or other bodily injury of a passenger.

Liability for Delay

SpiceJet shall not be liable for any loss or damage arising from delays in the air carriage of passengers or baggage.

The flight times shown in timetables may change between the date of publication and the date the passenger actually travels. SpiceJet does not guarantee these times to the passenger, and they do not form part of the contract with us.

Before accepting the passenger's booking, SpiceJet will notify the passenger of the scheduled flight time in effect at that time, which will be shown on their ticket. SpiceJet may need to change the scheduled flight time after the issuance of the passenger's ticket. The passenger must provide valid contact information (mobile number); SpiceJet will endeavour to notify passengers of any such changes. If, after purchasing the ticket, SpiceJet makes a significant change to the scheduled flight time that is unacceptable to the passenger and is unable to book them on an alternate flight that is acceptable, they will be entitled to a refund in accordance with the above-mentioned sections.
